

Examples of Purchases Using Southeast Business Boost Grant scheme

Below is a sample list of the things that have been purchased using the grant scheme contribution.

The main thing the scheme is looking for is a purchase that will facilitate growth or expansion rather than an upgrade or replacement of existing kit.

- Thermal Imaging Camera
- Gas Leak Tracing Equipment
- Large Commercial Compressor
- Thermoprinting Equipment
- 40 Ft Container
- MIG Welding Kit
- Warehouse Racking for new area
- Inflatable Assault Course
- CNC Equipment
- High Spec Server
- High Spec IT Hardware
- Commercial oven
- Commercial/specialised vehicles
- Frame Bending Machine
- High Speed Flat Bed Printer
- Product Wrapping Machine
- 3D Printer
- Physiotherapy Equipment
- Digital Diagnostic Equipment
- Scaffolding Equipment
- Outdoor Marquee
- Vehicle Testing Equipment

The wording of the application is important which is why we will provide 1-2-1 support to help you complete the paperwork.
